About the Company

- ASA offers underwater cleaning, spare parts, and crew change services in Indonesia.
- We provide reliable, high-quality marine services with skilled teams and advanced technology.

Our **Mission** and **Vision**

Trusted Marine Solutions for
Seamless Operations

Mission

To provide high-quality, reliable marine services using advanced technology and skilled professionals, ensuring client satisfaction, operational efficiency, and safety across all projects.

Vision

To be Indonesia's trusted marine partner, delivering efficient underwater cleaning, spare parts supply, and crew change services that support seamless vessel operations.

Our Goals

Excellence in Every Voyage

Vessel Performance Optimization

Deliver top-tier underwater services to enhance vessel performance and maintain optimal operational efficiency.

Seamless Crew Change Operations

Ensure reliable and timely crew change operations, minimizing disruptions and keeping vessels fully staffed.

Efficient Spare Parts Supply

Provide high-quality spare parts quickly and efficiently to reduce downtime and keep ships operational.

Company Leadership

Trusted Leadership for
Excellence

Yuli Rosiana

Director

At ASA Marine Services, our leadership, led by Yuli Rosiana, is a cornerstone of our success. With over 15 years of experience in project management, Yuli has expertly managed numerous large-scale projects and diverse teams, earning her an international reputation for integrity and reliability.

Her strategic vision ensures that every project is executed with professionalism and precision. Clients can trust that under Yuli's guidance, ASA Marine Services not only meets industry standards but sets new benchmarks for quality and efficiency, delivering innovative marine solutions that empower our clients to succeed.
